Practice Area:

SE17 addresses within Walworth Road, Heygate Street, Rodney Place, New / Old Kent Road and Albany Road.

Please note if you or you and your family move, you must inform the surgery of your new address and contact numbers and check with us one week later to see if your new address has been accepted. If you do not and your new address is not accepted you will be informed by the Health Authority of your need to be registered with another doctor. If you change your contact telephone numbers it is **your** responsibility to inform the surgery.

Confidentiality: Your personal health information is confidential and will only be disclosed to other NHS staff with your consent

Emergency Walk-In Surgery (10:30-11:15am):

Patients wishing to be seen must complete a short form and are first seen by a doctor in the private area adjacent to the reception desk so as to prioritise the order in which they are seen. Should you not wish this to occur, please say so on the form and you will see the nurse first in a consulting room. This may involve a longer wait. We do not operate an open access in the evening. If no appointments are available you will be advised to attend in the morning or to attend a local hospital or clinic.

Home Visits / Calling the Surgery:

Home Visits are at the GP's discretion. Please phone before 10:30am to make a request so that the Doctor can plan their daily routine. The Doctor may speak to you then or call you back to discuss your request.

For results and advice, please telephone between 12:00pm-1:00pm
Serious medical emergencies out of hours – Attend local hospital A&E department

Prescription emergency out of hours; Attend local pharmacists

To Register: Please request a form from reception and bring in proof of address

Information leaflets: The practice seeks to help patients make informed decisions regarding their health care needs, via leaflets available from our doctors and nurses.

Confidentiality: Your personal health information is confidential and will only be disclosed to other NHS staff with your consent.

Repeat Prescriptions: Please use the list provided with your prescription. Repeat prescriptions take 48 hours to prepare. You should leave written requests in the black box on the corridor wall or post them through our letter box if the surgery is closed. Prescription requests can also be made online – please ask at reception for more information. We do not take prescription requests over the phone.

Out of hours: When our practice is closed you can still get support. You can get expert medical advice and useful information by calling NHS 111 or through [111 online](#). You can also request an online consultation via eConsult from within our practice website.

The NHS 111 service is available 24 hours a day and can provide patient information, issue prescriptions to a pharmacy of your choice, book a GP appointment, and, if necessary, refer people to emergency services. You can also visit a local pharmacist (chemist) and ask for advice.

Rights and Responsibilities: You have the right to a high standard of care, and our staff have the right to work without abuse. Please recognise your responsibility in this matter. Violence or abuse will result in removal from the practice list.

We follow a strict confidentiality policy and require your consent to release records / personal information to third parties. You may look at your records after giving 1 week's written notice. If copies are required then you will have to complete a Subject Access Request form. Your personal health information is only used to help improve your quality of care.

We ask that you please kindly try to keep us updated if you change your telephone number or address as this will help us to communicate effectively with you.

If you are interested in helping the surgery develop, we have a Patient Participation Group which meets once every three months. Please ask at reception for further details.

We always welcome comments about our service. Please address these to the Practice Administrator.

Complaints:

Any formal complaints should be made in writing and addressed to the Practice Administrator. Please refer to the practice website for more information on how to make a complaint or support in raising one.

If you have a comment or complaint about any other local health service you can contact NHS Southwark Clinical Commissioning Group at the South London Commissioning Support Unit at NELCSU.SEcomplaints@nhs.net or telephone 0800 456 1517.
